An interim solicitor's bill of £1,140 had been received for work to establish title to the village green. In October 2019 AVCC agreed using the Business Reserve Account (BRA) for this. Kathleen Cameron proposed use of the BRA. Seconded by Al Dargie.

## **12. Business**

### **a. Co-option of Jenny Miller to AVCC**

Al Dargie proposed and Kathleen Cameron seconded.

### **b. Retaining Al Dargie as Vice Chair for AVCC**

Joe Kirby proposed and Kathleen Cameron seconded.

### **c. Erection of 23 self-catering apartments, shops, hotel & underground parking**

Support or opposition can only be on planning grounds. The CNPA zoned the site for retail and commercial use at ground floor level and it has a medium/high flood risk. The development has been called in by CNPA who decide if it goes ahead. Response required by 26<sup>th</sup> April 2021.

Information about this development had been put on Facebook and responses summarised for the meeting. Peter Long invited AVCC members to comment on the development.

Discussions about size/appearance: Al Dargie said differences between the billboard and the plans were minor other than cladding/rendering, which looked much nicer on the billboard. The building would be no higher than the previous house. Al could support the development if the rendering were changed. Elspeth Byrne thought the building looked too tall and was unattractive. Kathleen Cameron did not like the rendering. Peter Long did not like the look of the building and would prefer greater use of natural materials. He had received emails from people who did not like the look of the development.

Discussions about traffic: Elspeth Byrne, Kathleen Cameron and Al Dargie were concerned about impact on traffic on Grampian Road. Elspeth would have preferred entrance via the rear of the development but Bill Lobban said that the developer did not own that land. Al Dargie thought commercial vehicle use would be OK given the current urban environment.

Discussions re holiday & retail vs homes: Beth Hay and Peter Long had received emails expressing concern at balance between holiday accommodation and retail vs. local housing.

Discussions re community engagement: Joe Kirby suggested a Zoom presentation from the developer. Al Dargie agreed that we needed to talk to people but was not in favour of Zoom as a large part of the community would not be able to attend.

Peter Long suggested that AVCC write to CNPA by 26<sup>th</sup> April, indicating support for the development, but with reservations about height, rendering and traffic management.

Al Dargie and Peter Long to draft letter. Joe Kirby proposed. Kathleen Cameron seconded.

AVCC would not publish the results of discussion until a form of words is decided on.

### **d. Path funding opportunity from Nature Scot: Improving Public Access**

Peter Long said that this was an opportunity for community groups to access significant grants to enhance existing, or create new, footpaths and also included funding for items that would be required on a footpath eg gates and bins. Deadline for applications is 30<sup>th</sup> June.

The meeting discussed the balance between new footpaths and bringing existing ones up to standard and new/safer footpaths and cycle routes. All agreed that the lack of revenue for maintenance was a serious problem. Willie McKenna raises this at CNPA meetings.

Al Dargie proposed forming a sub group to look at the footpath funding opportunity, to report back May/June and to seek AVCC input. Seconded by Kathleen Cameron.

Jess Creber, Sally Devlin, Jeni Miller, Joe Kirby and Beth Hay volunteered for the group.

**e. Re-establishment of AVCC planning sub-committee**

Joe Kirby proposed looking at re-establishment of a AVCC planning sub-committee in a few months' time. This was seconded by Kathleen Cameron.

**f. Enabling Neighbourhoods and Communities (ENC) fund**

This is for grants of up to £5,000, normally £1,000 to £2,000, for community/voluntary groups. This was noted for the future.

**g. Kids' painted stones**

Project completion by 22<sup>nd</sup> April with the stones cemented into a wooden heart and lacquered in weatherproof sealant. Co-ordination needed with contractors developing the village green.

**h. Flowers**

After discussion it was clarified that AVCC is responsible for all flower beds and planters and ACE manages the hanging baskets. It was agreed to re-plant last year's wild flower seeds at the Village Green.

Action: Beth Hall to apply to HLH urgently for the flowers supplied free of charge.

Action: Beth Hay to contact British Legion regarding flowers at the War Memorial.

**i. Strathspey Land Management Public Consultation - Glenmore Forest Plan**

From April to October wildlife havens are planned for areas including Loch Morlich, the Green Loch, Sluggan and Badaguish. The planned mountain bike track from Cairngorm mountain to Glenmore might not be possible without forcing bikes onto the main road. There was concern about access to areas being prohibited. There was also concern that core trails are not being maintained and that there is no mechanism for ensuring this.

Action: Peter Long: AVCC to respond saying that existing trails should be maintained and that it should be possible to get from Glenmore up Cairngorm without using the main road.

**j. Public participation in AVCC via Zoom**

The meeting discussed the best way to encourage public participation in AVCC meetings held on Zoom. The Agenda should invite members of the public to contact AVCC for a Zoom invitation. The Agenda, minutes and information about AVCC Zoom meetings could be made available via notice boards when these are available.

Sally Devlin said that there are lots of groups and it is difficult to know who does what.

Action: Peter Long to agree document to go on AVCC Facebook page.

**k. Publicising AVCC meetings**

Notice Boards are not currently in use but, when allowed, we can use the Post Office and Co-op (including one outside). Sally Devlin said we could use AviemoreBikes notice board.

### **13. Reports from other organisations**

#### **a. CNPA report**

The National Park plan had been adopted. In placed like Aviemore 45% of new houses must be 'affordable'. The National Park continue to try to get social housing built.

**b. Highland Council report** – Bill Lobban had nothing to report

#### **c. ACE board member report**

Storage of the winter lights was in progress. The Outside Classroom was with Planning. ACE were looking at banners again. ACE were hoping for news from CNPA about a Community Centre within the next 2 weeks.

AGCT were working on the Ice rink project and working with ACE on Dalfaber Drive.

### **14. AOCB**

Peter Long said we had received the police report from PC McIver. There were no questions.

Peter Long said that around 200 people would take part in the Lairig Ghru walk on 26<sup>th</sup> June.

Kingussie Community Council had asked for old benches from the Village Green at no cost. It was agreed that we would keep 2 of the benches and let Kingussie have the rest.

Elsbeth Byrne asked for more dog poo/rubbish bins. Bill Lobban said this is against HC policy.
